Dear Stuyvesant Faculty and Students,

Happy 2012! The Stuyvesant HS Parents' Association's second round of Appropriations is underway. As we hope you are aware, the Parents' Association's Appropriations Committee solicits and reviews requests for funding from students, faculty and the administration. Within the budget allocated by the Parents' Association, we grant funds to those requests we believe best address the Parents' Association's aim to support student enrichment in both academic and extracurricular pursuits. In particular, the PA has three funding goals:

1. improve how education is provided and delivered to the students
2. improve and strengthen students' mental and physical capabilities for life challenges
3. improve and strengthen students' communication skills and social awareness

We are now accepting requests for the Spring 2012 Appropriations round. Please read the attached funding request instructions before you begin. To submit a request, please **completely** fill out the attached funding request and e-mail or hand deliver the application package to us before the deadline. Electronic filing is preferred in order to expedite the process and save trees. Please e-mail your completed forms with all supporting documentations scanned and attached to appropriations@stuy-pa.org. If you prefer a hard copy submission, you may bring your request and its supporting documentation to the PA Office, Room 271 (or leave it in the PA mailbox.) If you hand in a paper request, please make a copy of your application and supporting documents. The PA must retain all your papers for our records.

The deadline for receipt of all spring round application will be **February 17, 2012**.

If you have any questions, please e-mail us at appropriations@stuy-pa.org. Thank you so much for the work that you do for the Stuyvesant community.

Best regards,

Barbara Reiser and Wei Lam, PA Co-Presidents
Francois Attal, PA Appropriations Committee Chair
Committee Members: James Adler
Margot Guralnick
Bruce Hood, and
Lisa Rudolph
