SOCIAL STUDIES RECOMMENDED SUMMER PROGRAMS:

Please see go to the “Summer Study” section of the Social Studies Department web page to be linked directly to the web pages for these programs.

Merrill Lynch Young Business Leaders' Summer Institute at Baruch College: This program aims to "prepare today's youth with a solid foundation in ethics, finance, and human relations that will enable them to become dynamic and successful leaders of the next generation." You will be studying Public Administration in Modern Society; there is no tuition, and lunch, transportation, and textbooks are provided. Only available to current sophomores and juniors. Application are due: TBA (mid April)

Glimpses of China: This comprehensive program provides an opportunity for high school students to personally experience a country which they have heard so much about. There will be classes on various cultural and political aspects of the country, seminars and lectures, language tutorials, arts appreciation workshops, after-class activities, and visits and excursions. Participants will be living and studying on the campus of Shanghai's East China Normal University.

Sadie Nash Leadership Project: Program promoting leadership, service, and activism among female adolescents. This unique learning experience centers on the achievements of women, the use of role models, and social justice projects. There are also opportunities to take college courses.

The Junior Statesmen Summer School for outstanding high school students at Georgetown, Princeton, Yale, Stanford, and Northwestern

Paid internships at the New York Historical Society! Applications and additional information from Kim Sekel at 212 873-3400 EX 276 or email ksekel@nyhistory.org

The Manhattan Borough President Student Historians Internships: History related internships at museums and other related institutions. Additional information will be posted in early April 2009 as the positions are created. Please check by in April for this great opportunity.

Thurgood Marshall Summer Law Internship: This program gives New York City high school students excelling academically the opportunity to work in a legal environment and learn about the profession. Some typical assignments include: assisting paralegals, filing, record keeping, clerking in the law library, assisting back office personnel, data entry, and document and exhibit organization. All participating students have to show an interest in law by enrolling in a law-related curriculum in high school or participating in moot court or mock trial competitions. For more information, Gabrielle Brown at 212 382-6624 (gbrown@nycbar.org).

Manhattan District Attorney's 2008 LEGAL BOUND Summer Internship Program Learn about criminal law and the work of the District Attorney's Office. Available only to Manhattan residents. Resume, essay, and interview needed. Contact Ms. Suri for details or call Ms. Carol Ragsdale at 212 335-9082
