## **Article I - Name**

The name of the association shall be the **Stuyvesant High School Parents' Association** (the "PA"). The PA is recognized by the New York City Department of Education (the "DOE") as the official parents' organization of Stuyvesant High School (the "school" or "Stuyvesant").

## **Article II – Purpose and Policies**

### **Section II.1. Purpose**

The purpose of the PA will be

**II.1.1** to foster programs that enable parents to become partners with the school in the education of their children;

**II.1.2** to provide opportunities and training for parents to participate in school governance and educational decision-making and encourage parent participation at all levels;

**II.1.3** to promote and develop a cooperative working relationship between parents and staff;

**II.1.4** to promote an effective educational environment for students and to provide support and resources to the school for the benefit and growth of all children and

**II.1.5** to provide an opportunity for parent education and development.

### **Section II.2. Policies**

All activities of the PA are non-sectarian and non-partisan in nature. The name of the PA or its officers in their official capacities, will only be used in a manner consistent with the guidelines and regulations established by the DOE for officially sanctioned parents' organizations. Officers of the PA may not engage in activities which may jeopardize its tax status. The PA is qualified under Section 501(c)(3) of the Internal Revenue Code as a not-for-profit organization.

## **Article III - Membership**

### **Section III.1. Eligibility**

**III.1.1** All parents of students in regular attendance at Stuyvesant are Members of the PA. At the beginning of each school year, the PA shall send a welcome letter to inform parents of their automatic membership status and voting rights.

**III.1.2** A "parent" is a parent (by birth or adoption, stepparent or foster parent), legally appointed guardian, or person in a parental relation to a child or children currently attending Stuyvesant. A person in parental relation refers to a person who has assumed the care of a child because the child's parents or guardians are not available, whether due to, among other things, death, imprisonment, mental illness, abandonment of a child, or living outside of the state. A person may qualify as a person in parental relation only if no other eligible person applies as parent or guardian. Any determinations about who constitutes a person in "parental relation" must be based on the individual circumstances surrounding guardianship and custodial care of the particular child. This shall include consultation between the PA Executive Board and the

Principal. A person who may provide temporary care (i.e., babysitting) for a child or children does not qualify as a person in parental relation under this definition. The denial of membership under this definition may be the subject of a grievance to the Department of Education under Department of Education Regulation A-660.

**III.1.3** A parent may not designate another individual to serve in his/her place as a member of the PA. However, a designated person, as distinct from a “person in parental relation”, who is acting in *loco parentis* in place of a parent, for example a caretaker or a noncustodial family member, may have limited participation in the PA, provided they submit a letter to the Principal signed by the parent. Such a designated person may then participate in the PA in place of the parent, but may not serve as a PA officer, or committee chair, or vote.

**III.1.4** All disputes as to either persons in parental relation or designated persons will be referred to the school administration.

### **Section III.2. Voting Privileges**

**III.2.1** Each parent of a child currently attending Stuyvesant will be entitled to vote separately on all matters submitted for vote to the General Membership.

**III.2.2** Members must be present to vote, either in person or remotely. Voting by proxy, absentee ballot, or email is not allowed. In these bylaws, any required vote, whether by majority or two-thirds, by either the General Membership or the Executive Board, shall be understood to mean by those members present (either in person or remotely) and voting.

**III.2.3** A designated person under Section III.1.3 may vote only in place of a parent.

### **Section III.3. Payment of Dues**

**III.3.1** The payment of dues is not a prerequisite for participation or membership in the PA. Dues are not a requirement for voting or running for elected positions.

**III.3.2** For budgetary purposes the Executive Board, subject to the approval of the General Membership, may establish a suggested annual donation amount.

### **Section III.4. Restrictions**

**III.4.1** Supervisory staff (Principals, assistant Principals, and supervisors) and parent coordinators are not eligible to become members of the PA, even if they have a child in the school.

**III.4.2** All other categories of school staff are eligible for PA membership if they have a child in the school but are not eligible to serve as members of the PA Executive Board or nominating/election committee. PA members who are employed in the school may not vote or otherwise participate as parent representatives in personnel matters, including tenure recommendations and screening committees for selection of supervisors and administrators, nor may they participate in the selection of parent representatives to school committees.

**III.4.3** PA members and officers must be careful to avoid acting in circumstances in which their personal interests conflict with their interests as PA members or officers.

## **Article IV – Elected Positions and Elections**

### **Section IV.1. Elected Positions**

**IV.1.1** The mandatory officers of the PA shall be: President, Recording Secretary and Treasurer. The PA must elect the mandatory officers between April 1 and the last day of the school year in order to be a functioning PA. The elected positions of the PA are:

**Officers:**

President or Co-Presidents  
First Vice-President  
Second Vice-President  
Recording Secretary  
Corresponding Secretary  
Treasurer  
Assistant Treasurer

**School Leadership Team Delegates:**

Senior Parent Delegates - One (1)  
Junior Parent Delegates - Two (2)  
Sophomore Parent Delegates - Two (2)  
Freshmen Parent Delegates - One (1)

There will be One (1) Alternate Delegate for each class selected as follows:

The candidate for each class delegate with the highest number of votes other than the winning candidate(s) (i.e., the runner-up) will serve as the Alternate Delegate for that class. The Alternate Delegates will be expected to attend all Student Leadership Team (SLT) meetings and shall have the same duties as the SLT Delegates. The Alternate Delegate for a class shall not have the right to vote at any SLT meeting unless one of the SLT Delegates for that class is absent from that meeting.

**Members-At-Large:**

Senior Parent Member-At-Large - One (1)  
Junior Parent Member-At-Large - One (1)  
Sophomore Parent Member-At-Large – Three (3)  
Freshmen Parent Member-At-Large - Five (5)

**IV.1.2** Hereafter the term "President" will include Co-Presidents when elected.

### **Section IV.2. Term of Office**

**IV.2.1** The term of office is from July 1 through June 30, except for those positions elected in the fall or through an expedited election, for which the term will be from the date of election through June 30.

**IV.2.2** All positions are elected for one term. The number of terms for which an individual may serve in any position is not limited as long as the individual is elected in accordance with these bylaws.

### **Section IV.3. Eligibility**

**IV.3.1** Eligibility for elected positions is limited to parents, as defined in Section III.1, and as further limited by Section III.4.2.

**IV.3.2** Parents of incoming students who do not currently have a student enrolled in Stuyvesant may not stand for election until their child is enrolled and attending Stuyvesant.

**IV.3.3** A person may run as a candidate for President either alone or as part of only one Co- President team. No individual may stand singly for a position of Co-President. Two people must run together as a slate in order to serve together.

**IV.3.4** Individuals may hold only one PA elected position, with the exception that individuals may hold any one of the seven officer positions and be a School Leadership Team Delegate. Parents may not simultaneously hold positions as Parent Member-At-Large and Parent Delegate to the School Leadership Team. The individual elected President will automatically occupy the SLT position reserved for the President. Therefore, if such an individual was also running for SLT delegate, his/her candidacy would be disregarded when determining the elected SLT delegates. If a candidate for Co-President is also a candidate for an SLT position, the candidates for Co-President must disclose prior to the election which Co-President will assume the SLT position reserved for the President. The other Co-President is eligible for election to the School Leadership Team in his/her own right.

### **Section IV.4. Duties of Officers**

### **IV.9.3 Nominating Committee**

a. A Nominating Committee will be formed yearly for the purpose of reaching out to the PA General Membership, in appropriate languages, to recruit candidates for the elected positions of the PA. The Committee must publicize the election in multiple ways to attempt to attract a diverse and representative group of candidates. The Nominating Committee will be responsible for conducting General Elections. If possible, ballots should contain instructions in the languages spoken by parents, as appropriate.

b. Notice of the formation of the Nominating Committee will appear on the PA website and in the weekly member emails at least 10 school days prior to the April General Membership Meeting.

A minority of the Nominating Committee will be selected by the Executive Board, subject to ratification by the general membership at the April meeting. None of the members of the Nominating Committee may be mandatory officers or planning to run for office. School staff are not eligible to serve as members of the Nominating Committee, even if they have a child in the school. - h. At the April General Meeting the Nominating Committee will announce the Spring elections and invite nominations to be made in writing to the Nominating Committee until 11:59 p.m. of the day that is 7 days before the date of the General Meeting at which elections will be held. If the Nominating Committee receives no nominations for one or more PA offices or SLT representatives, the Nominating Committee may extend the deadline for receiving nominations to no later than 2 days before the day of the election. Any extension must be posted on the PA website and a notice emailed to Members within 24 hours of the original deadline.

#### **IV.9.4 Notice**

The Executive Board will draft a written notice of Election Meeting in compliance with Chancellor Regulation A-660 I.D.5.b. along with a description of the positions to be filled and submit it to the Principal in time for it to be distributed to members at least 10 calendar days before the General Membership Meeting at which the Spring elections will be held.

#### **Section IV.10. Fall Elections**

**IV.10.1** Elections will be held at the September General Meeting but no later than October 15 to fill the following positions:

**IV.10.2** Nominations for these positions will be accepted until 11:59 p.m. of the day that is 7 days before the September Meeting. If the Nominating Committee receives no nominations for one or more grade levels or the SLT representative position, the Nominating Committee may extend the deadline for receiving nominations to no later than 2 days before the day of the election. In addition to written

nominations, the Nominating Committee may also provide an opportunity to accept nomination from the floor at a general membership meeting prior to the close of nominations. Any extension must be posted on the PA website within 24 hours of the original deadline. If after nominations have closed there is still no candidate for a position, nominations for that position may be accepted from the floor the night of the election.

**IV.10.3** The Nominating Committee will conduct the Fall elections.

**IV.10.4** The Executive Board will draft a written notice of Election Meeting in compliance with Chancellor Regulation A-660 I.D.5.b. and submit it to the Principal in time for it to be distributed to members at least 10 calendar days before the election meeting.

**IV.10.5** Notice of the Fall election, and a description of positions to be filled, will be distributed to Members not less than 10 calendar days prior to the date of the September meeting.

### **Section IV.11. Elections and Ballots**

**IV.11.1.** Elections must only be conducted in an in-person meeting or a meeting on a virtually remote platform. Conducting elections in a hybrid meeting is not permitted. Voting during an in-person meeting may be conducted through electronic means without being considered a hybrid meeting.

**IV.11.2** Each candidate for contested office will have a minimum of 30 seconds to speak on their own behalf prior to vote. The specific time allotted may be longer and will be determined by the Nominating Committee for the Spring General Election and by the Executive Board for all other elections. All candidates must be given an equal opportunity to participate in all mechanisms for addressing the membership. If a candidate is not present at an Election, another member may read the candidate's statement.

**IV.11.3** Unless another procedure has been approved by the Executive Board and specified in writing to candidates no less than 10 calendar days before an election, the following procedure will apply to campaign literature: Candidates may provide a short statement of no more than 150 words, or as the Executive Board otherwise determines in advance of the election, to be distributed by the PA without endorsement electronically, and/or posted on PA social media or websites, at least 24 hours before the election. Guidance should be provided to candidates about when they should submit information. Additionally, candidates are allowed to provide one sheet of written information in support of their candidacy for office. Each candidate will be provided with the number representing their name on the Ballot and that number must appear at the top of their written information. All candidate statements must be appropriate. Inappropriate material includes material that is disparaging, defamatory, obscene, or disruptive to the educational process.

**IV.11.4** No materials in support of a candidate or a slate of candidates may be distributed or posted on school premises or on the school's website by any candidate, supporter, PA executive board, or PA committee. Candidates who violate this provision, directly or indirectly, will be subject to disqualification and may be deemed ineligible for office for that election year.

**IV.11.5** Voting will be by secret ballot. Ballots will be distributed to Members as they sign the sign-in sheet for the General Meeting at which the election is being held. For virtual remote platform (VRP) elections, a VRP polling feature, Google form or other electronic voting mechanism may be utilized. Voting by proxy, absentee ballots, or email is not permitted. The Principal or designee (who must be a school employee) must verify each individual's eligibility to vote before counting such individual's ballot. A process to verify

member eligibility must be determined in cooperation with the school administration prior to the election meeting that best suits the school community. Verification may include, but is not limited to, the use of a unique code for eligible voting members, or a pre-registration process.

**IV.11.6** For those positions for which there is only one candidate, election shall be by motion and voice vote of the Membership. This will be included in the minutes.

**IV.11.7** Ballots will be prepared with the names of the candidates appearing on the Ballot in alphabetical order under the title of the position for which they are nominated.

**IV.11.8** Ballots will be counted immediately following the election. For in-person elections, this will be done in the meeting room or in the Principal's office, with at least three observers from the general membership present. For VRP elections, votes will be tabulated within the chosen electronic voting mechanism by a member (or members) of the Nominating Committee, with further verification of ballots by the Principal or designated school employee (as described in Section IV.11.5). The Nominating Committee or the President will announce the results as soon as practicable after the votes have been tabulated provided that the number of votes for each candidate will not be included in the announcement.

**IV.11.9** Ballots will be retained for one year in the PA office.

**IV.11.10** For VRP voting, a printed record of electronic ballots must be maintained among the records of the PA and be made available upon request. Records of VRP votes must be retained by the PA for one year or until the determination of any grievance filed concerning the election, whichever is later.

**IV.11.11** Election results must be recorded on the PA/PTA Election Certification Form, signed by the Principal or his/her designee, before the election meeting is adjourned. The designee must be a school employee other than the parent coordinator. By signing the Election Certification Form, the Principal or designee certifies that the nomination and election process was conducted in accordance with Chancellor Regulation A-660 and these bylaws. The signed certification form must be retained by the PA, with a copy filed in the Principal's office and with the appropriate superintendent. The Audit Committee must provide a copy of their findings to the Principal.

- b. The counting and handling of any cash, checks, or money orders received by the PA must be completed by at least 2 members of the PA. These PA members cannot be related by blood or marriage. Funds must be counted in the school on the same day of receipt. The PA's financial records must display the total amount of funds and the signatures of the PA members who participated in counting the funds.

### **Section X.2. Disputes**

In the event of a dispute not involving an alleged violation of the PA bylaws or the Chancellor's Regulations, it will be the responsibility of the Executive Board to attempt to resolve such dispute internally. However, if such a dispute cannot be resolved internally, a grievance or complaint may be made in conformance with the current New York City Department of Education's Chancellor's Regulations.

### **Section X.3. Inconsistencies with DOE Regulations**

In the event the PA Bylaws or any provisions do not conform with those of the Department of Education, as either of them are periodically revised, the rules and regulations promulgated by the Department of Education will be deemed controlling. If the said rules and regulations require that particular language be contained in the PA Bylaws that are not otherwise contained therein, they shall be deemed to include such particular language.
